

## Chest waders model SBM01B

### Specific features:

- increased durability of seams
- comfortable inner pocket
- insole protecting the sole
- toe cap to protect toes
- possibility of adjusting the circumference

**Plavitex**  
*heavy duty*

Material:

Colour: Dark Olive

Size: 39, 40, 41, 42, 43, 44, 45, 46, 47, 48

### Full product description

Waterproof trousers with increased resistance to mechanical damage, with permanently welded, high quality boots. Made with double-sided welding technique, which increases the strength of seams. An internal pocket makes it easier to store documents. A special insole protects the sole from punctures and the toe cap increases toe safety. Adjustable drawstring at chest height.

### Product features

Norms

- EN ISO 13688
- EN 343
- EN ISO 20345 - S5 SRC

Material

**PLAVITEX HEAVY DUTY** - a polyester-based material coated on one side with PVC. It is highly resistant to tearing and has waterproof stitching. Due to the unique chemical composition of the coating the material is extremely resistant to adverse weather conditions and bending at temperatures down to -50°C. The material meets the requirements of the EN 343 standard, which has been verified by tests conducted by a certified textile testing institute.
