- rubber adjusting girth
- comfortable braces

### Material:

Colour: Red, Black

Size: 39, 40, 41, 42, 43, 44, 45, 46, 47, 48

### Full product description

Waterproof trousers with high resistance to mechanical damage, with permanently welded non-slip boots. Manufactured from very durable plastic, maintenance-free. The upper layer reduces the risk of cuts and punctures. Rubber band to adjust the size to the chest circumference. Double sided sealing technique increases seam strength. Inner pocket for easy document storage.

### Product features

- Norms
- EN ISO 13688
  - EN 343
  - EN ISO 20347 - OB SRC

Material **RUBBER** - new concept of coated material. It is very strong resistant to tearing and has waterproof stitching. It that does not require maintenance. Top layer with low friction reduces risk of intersection and puncture.
